## **Junior Designer Full Time // Sydney, NSW**

We're looking for a Junior Designer to join our ever-growing team at *Collective Hub*. You'll be creative, passionate and energetic, organisationally focused, proactive and excited to be creating beautiful designs and content.

### **More on *Collective Hub*:**

*Collective Hub* is a multimedia brand that encompasses engaging print and digital content, bespoke events, strategic collaborations and unique product extensions.

It started with a print magazine, now distributed into 37 countries, and was founded by the vibrant entrepreneur and author, Lisa Messenger, with a vision to uplift and empower people to live their lives to the fullest.

Combining style and substance with a fresh perspective on the issues that matter most, *Collective Hub* covers business, design, technology, social change, fashion, travel, food, film and art.

Through an equal dose of inspiration and action, *Collective Hub* is all about creating and celebrating a global community of dreamers and doers.

### **More on your new role:**

- Producing creative graphic content to meet daily deadlines
- Image editing + sourcing
- Managing and maintaining artwork filing & archiving systems
- Working across all departments to produce creative and fulfil client briefs
- Keeping up to date with content, design and digital trends
- Plus other general admin tasks

### **Essential skills and attributes:**

- A love of all things design
- 1-2 years' experience in a design role
- Advanced skills with Adobe CC suite and versatile across Mac and PC
- Excellent visual and communication skills
- An understanding of the print process will be beneficial
- Excellent understanding of digital and responsive design
- Awesome networking skills, with the ability to interact with clients on a daily basis
- Strong typography skills is a plus for this role
- Ability to work in a fast-paced environment, collaboratively and autonomously
