## **Collective Hub Internships**

### **Part Time// Sydney, NSW**

We're constantly on the lookout for proactive, eager and enthusiastic university, college or TAFE students to join our team at Collective Hub HQ for a 3-month unpaid internship.

Collective Hub is a multimedia brand that encompasses engaging print and digital content, bespoke events, strategic collaborations and unique product extensions. Our founder is the vibrant, game-changing entrepreneur Lisa Messenger, whose vision is to uplift and empower people to live their lives to the fullest. If you're reading this on our website, stay a while and have a look around at all the exciting things we do.

Our internships are tailored to your studies whilst providing a behind-the-scenes introduction to a fast-paced multimedia business. You'll gain hands-on experience across all areas of the business, from general office running, to event planning and attendance, to data management and analysis, to relationship building and partnerships reporting – all this whilst learning from some of the most talented and experienced minds in the biz.

This internship is open to all enrolled students, is unpaid and we prefer 2-3 days per week during business hours (some events may be outside of business hours and are optional). We understand the importance of your study, rest and relaxation and will accommodate assignments and exam times wherever possible. Only work-related expenses will be covered at the discretion of management. A laptop is handy but is not compulsory.

If this internship sounds like a good step towards reaching your career goals, then send us your CV and cover letter including your availability and commencement.
